

Application for Special Consideration

Please complete form in block letters.

Special consideration is a set of circumstances which disadvantages a student's study program to a serious extent, and results in an inability to sit a scheduled examination or complete an assignment. Special consideration covers a serious medical condition; hardship, trauma or compassionate reasons. However special consideration cannot cover misreading the examination timetable or work commitments.

Applications need to be made no later than 10 business days after the examination date. All applications must be accompanied by the appropriate documentary evidence, including any original documents and certified copies of documents. These must be received by the Institute by mail before the application can be formally completed. Documents in a language other than English must be accompanied by a certified translation. In Australia, a certified copy is one certified by a Justice of the Peace or a Commissioner for Declarations or a person before whom a Statutory Declaration may be made under the Statutory Declarations Act 1959. If the copy is to be certified in a place outside Australia it should be certified by a person who is the equivalent of a Justice of the Peace or Commissioner for Declarations in that place, eg. A Notary Public. All decisions will be advised by mail or email.
